

HELP US GET A RAMP FOR OUR POOL!

Many of our members with mobility challenges find it difficult to use the steps to access the pool. A ramp would provide them with a safer and easier way to enjoy the benefits of swimming and water exercise, enhancing their health and well-being. This addition will remove barriers for current members who can no longer use the stairs, while also welcoming new members to join our water exercise programs.

Will you consider helping us fund a ramp for our pool? Visit the Give Now section our website and select the Pool Ramp Campaign or drop off a check with "Pool Ramp" noted on the memo line.
